## "ABOVE, DOWN, INSIDE, OUT"

Nature works from the inside out.  
The world works from the outside in.  
The world would take people out of the slums;  
Nature takes the slums out of the people, and then they take  
themselves out of the slums.  
The world would mold men by changing their environment;  
Nature changes men, who then change their environment.  
The world would shape human behavior;  
But Nature can change human nature.

The world would take pills, potions, shots and prescriptions to change man from the outside in.

Chiropractic releases healing and functioning power that is trapped by SUBLUXATION in the spine, setting you free so that you may get well from Above, Down,  
Inside, Out.

**Our purpose is to educate and adjust families toward optimal health
