## Babies on Cocaine: the drugging of America's youth

There have been many atrocities set forth in the world AGAINST the human right to be well. This has resulted in a condition in which the health of every man, woman and child is getting worse and is in fact greatly endangered. AS a principled Chiropractor, I must stand up and speak the TRUTH. The following is inside information your doctor will never tell you. . . but I will!) THE REST IS UP TO YOU!

Under Federal Law, Ritalin is classified as a "schedule n controlled substance," the same classification given cocaine, morphine or opium. In addition, Ritalin has now been shown to cause a long list of side effects including depression, fatigue, paranoia, irritability, bed wetting and cancer. While some children do not show outward side effects, there is still long-term damage. It is now responsible for more street crime than any other drug, as it is being sold on the streets and being crushed up and snorted or injected into the veins. On the up side, the child does perform better and is more behaved in elementary school America is by far Ritalin's greatest user, being used by up to 70% of the children in some schools.

For those children reaching puberty, we know this can be a very confusing, stressful, and even sometimes depressing time. Lucky for us today we have Prozac. Prozac is a legal drug that eliminates depression. The .. high it creates must be O.K. because it is prescribed and legal. The only down side is there is a need for it the rest of your life, your mood is permanently altered, and it has been linked to hundreds of occasions of suicide. Prozac has now been cleared to be dispensed to children of all ages.

If we are all "created equal," then why are some so lowly and ill? Why are some treated like they're not.

Chiropractic works by releasing the inborn information from the brain that has been interfered with or trapped by a spinal vertebrae which is out of alignment. When this information is set FREE to carry on its predestined duty of controlling and regulating the function and action of each and every organ, cell and tissue in you, you are back to being equal, naturally.

Interference removed, "we the people" can now venture forth healthier, more energetic, and at our "inalienable right" to perform at our EQUAL HEAL TH POTENTIAL... without any side effects.

At our INBORN POTENTIAL, then and only then can we truly seek our rights to LIFE, LIBERTY, AND THE PURSUIT OF HAPPINESS.

**Our purpose is to educate and adjust families toward optimal health  
with natural chiropractic care.**
